When is it time...

...to give back?

www.UnitedWaySouthNiagara.ca

When is it time for our children to have healthy food to eat, to have a safe place to go, to learn to read, to give them half a chance?

When is it time for the fortunate to help those without; for those with jobs to help those who have lost theirs?

When is it time to actually see the need that's all around us?

The need in our own community and the communities next door, in neighbourhoods around the corner, and at schools a few short miles away...

When is it time?

RIGHT NOW!

HOW YOU CAN HELP

Dramatic job losses and plant closures have seriously hurt our ability to raise funds through employee payroll deductions and corporate matching programs—the two largest sources of United Way donations. **These donations are down over \$200,000.**

So we must turn to you.

Without your leadership gift, there will be no way.

Your \$20/week or \$1,000/year donation will:

- Give a family of four supportive shelter for a month until affordable housing can be found.
- Allow an unemployed person to complete their secondary school diploma and gain new skills to re-enter the labour market within 9 months.
- Provide healthy breakfasts to over 800 children.
